**Statistical Statement:**

The AAA Consumer Pulse™ Survey was conducted online among residents living in The Auto Club Group territory from September 15 – 22, 2021. A total of 5,000 residents completed the survey. Survey results asked of all respondents have a maximum margin of error of ± 1.4% points. For individual states (except ND), the maximum margin of error is ± 4.9% points. Responses are weighted by age and gender within state to ensure reliable and accurate representation of the adult population (18+).
